

DENT MEDIUM LED GE

This is the artful luminaire with a playful personality. Looking one way, and then another. Its design is enigmatic, as is the light it provides. Alone on a residential wall, it's minimalistic and beautiful. Together in a large public space, they become an artful lightscape with puzzling lines and angular paths. Dent is an excellent candidate for an art installation that demands contemporary beauty, originality and function.

Art. Nr. 11611009

SPECIFICATIONS
