DIMENSIONS

MOUNTING INSTRUCTION

- ① Turn the handle, which is mounted on the fixture, 90°.
- ② Push the fixture into the track. Make sure the ± icon on the inside of the adaptor is faced towards the track side with the **Polarity line** carved in it.
- ③ Turn the handle back into the original position.
- ④ For PAR16: mount the lamp into the fixture

The light source of the integrated LED is not replaceable;
When the light source reaches its end of life the whole
luminaire shall be replaced.

Caution, risk of electric shock
