

REKTOR TRACK 1X LED CASAMBI GI

With a name derived from the Latin word for "ruler", the Rektor range of LED lighting has every quality of a leader. Winner of the 2014 Henry Van de Velde design award, Rektor showcases the distinguished effects of right angles, accented light direction and no visible wires. Rektor's refined industrial, rectangular design is also an option for our 230V track system, making it an even more attractive and relevant choice for retail and hospitality spaces.
