### INSTALLATION INSTRUCTION

1. Before installing, make sure the power supply is switched off.
2. Follow the steps as the figure for installation.
  - A. Fix the fixture to the spike and tighten the screws.
  - B. Fix the fixture by insert the spike into the ground.
  - C. Make the connection at a junction box and fill it with resin.
3. After finishing every step, tighten the screws, have the fixture fixed, and then connect the power supply.

### CLEANING INSTRUCTION

1. Before cleaning, ensure that the power supply is switched off.
2. Use only a soft cloth to clean the lamp, dampened with mild cleanser if needed for resistant dirt.
3. Warning: do not use alcohol or other solvents.

### CAUTION:

While the lamp is working, the surface of it is hot!  
Please do not touch the fixture within an hour after the power supply has been switched off.
